

Create a Trinket teacher account

1. Navigate to Trinket sign up page: <https://trinket.io/sign-up> and sign up for an account.

The image shows the Trinket sign-up page. At the top, there is a navigation bar with the Trinket logo, a star icon for 'Plans', a graduation cap icon for 'Learn', and a speech bubble icon for 'Help'. Below the navigation bar, the heading 'Sign Up for your Free Account!' is centered. Underneath the heading, there are three buttons for logging in: 'Sign in with Google' (red), 'Log in with Clever' (blue), and 'Log in with Edmodo' (blue). Below these buttons, there is a link that says 'or create account below'. Further down, there are two input fields: 'Email Address' with the placeholder text 'What's your email address?' and 'Password' with the placeholder text 'What password would you like?'. At the bottom left of the form is a blue 'Sign Up' button. To the right of the button, there is a small text block that says 'By signing up you agree to our [terms of service](#) and [privacy policy](#)'.

2. To create a course, navigate to your home screen: <https://trinket.io/home>

The image shows the Trinket home screen. At the top, there is a navigation bar with the Trinket logo, a yellow 'Code' button, a home icon for 'Home', a star icon for 'Plans', and a graduation cap icon for 'Learn'. Below the navigation bar, the heading 'My Recent Trinkets' is centered. Underneath the heading, there is a paragraph that says 'Trinkets are interactive examples you can put on any site. Create or edit your trinkets here'. Below the paragraph, there are two cards. The first card shows a space scene with a rocket ship and the text 'Click To Edit'. The second card shows the Python logo and the text 'Click To Edit'.

My Courses

Get started with Trinket Courses by trying one of our featured courses!

The image shows two buttons for the 'My Courses' section. The first button is yellow with a plus icon and the text 'New Course'. The second button is blue with a plus icon and the text 'Join Course'.

3. Enter "What's the Course Name?" and click "Save"

The screenshot shows the 'Create your course' page in the Trinket Code web application. The header includes the Trinket Code logo, a 'Home' link, and a 'Plans' link. The main heading is 'Create your course' with a subtitle 'Basic information about your new hands-on course.' Below this, there are two text input fields. The first field is labeled 'What's the Course name?' and contains the text 'TEALS Python'. The second field is labeled 'What Description should show up on the page?' and contains the text '2nd Semester Intro course'. Below the description field, there is a message: 'Upgrade to trinket Connect and you can create private courses, visible only to you'. At the bottom of the form, there are two buttons: a green 'Save' button and a red 'Cancel' button.

4. Enter "Your Name" and click "Next >"

The screenshot shows the 'Course Outline' page in the Trinket Code web application. The header includes the Trinket Code logo, a 'Home' link, and links for 'Plans', 'Learn', 'Help', and a user profile 'kcha'. Below the header, there is a breadcrumb trail: 'Home / TEALS Python by Kenney Chan'. To the right of the breadcrumb, there are three buttons: 'Dashboard', 'Course' (with a dropdown arrow), and 'Users'. The main content area is divided into two sections. On the left, there is a sidebar with the title '2nd Semester Intro course' and a message: 'A list of your topics and pages will be displayed here.' On the right, there is a section titled 'Course Outline' with a welcome message: 'Welcome to your course outline!'. Below this, there is a paragraph explaining that courses consist of topics and pages, and that users can add topics and create pages for each. At the bottom of the right section, there is a text input field labeled 'Enter new topic name'.

5. In the pop up window click "Add Users". Select "Email Invitation" and past a list of student emails in the list box and click "Send Invitations".
